HOW MUCH DOES IT COST?

The SAT Prep Course costs **\$700** and includes two proprietary digital practice tests with an enhanced strengths and weakness report, classes taught by an expert, a study guide, an online access portal, interactive practice quizzes, and personalized worksheets. Students **must bring a laptop or tablet** with a power cord for all sessions.

Attention: There will be no classes the week of Labor Day (08.30, 09.01, 09.02 and 09.03). You do not have to be a JCHS student to attend the Monday class.

HOW THE COURSE WORKS

Students choose one session per week. We target individual areas of greatest improvement via score reports and drills. Our system of focusing on techniques, trends, timing and testing strategies has been proven to produce a significant increase in a student's SAT score.
