BETTER SCORES

Better Choices

Results from previous classes show an average increase of 3 points on the ACT and 150 points on the SAT.

This can literally mean the difference in thousands of dollars in potential scholarship money at some colleges.

Our course helps you to find common trends in your mistakes and will help you address particular areas through computer analysis, test-taking strategies, exercises, workbooks, and one-on-one sessions.

Register today only limited space available.
