

## Improve your ACT Score!

Class 101 ACT prep courses help you to find common trends in your incorrect answers and will help you address areas of need. In over 21 years, more than 5000 students have participated in Class 101 ACT prep courses and improved on average 3.1 points on their total ACT score.

### Here's what parents are saying about Class 101 ACT Prep:

“Just wanted to say thank you for helping Braeden boost his ACT score. Because of his ACT score and his academics, WKU has offered him \$40,000+ scholarship. Also, Centre offered him \$172,000. So, needless to say, I think we did very well with a \$400 investment. Just wanted you to know we appreciate you and thank you once again!” Parent, North Laurel High School
